ECHOES OF HIS GRACE

FRIENDS IN ACTION INTERNATIONAL NOVEMBER 2026

On Friday, November 20, FIA is carving out 24 hours to be *all in* on Great Commission work. Our goal is to raise enough funds to drill seven wells - $70,000. Meeting that goal will bring Living Water to West Africa and Vanuatu, where a well opens a door for the Gospel. Matching partners will double every dollar given, up to $35,000, so we need $35,000 from you to get there.

"I will open rivers in high places... I will make the wilderness a pool of water, and the dry land springs of water."
Isaiah 41:18 (KJV, abridged)

MEET *THREE* PEOPLE WHO ARE *all in*, THEN SEE HOW YOU CAN JOIN THEM.

1 Pastor Gaby, *Big Bay, Vanuatu*: *all in* Spiritually

Pastor Gaby is a longtime friend of FIA and the driving force behind our water project in Vanuatu. **In his culture, you need to be invited into a village.** When FIA's team, led in the field by Levi Pitman, comes alongside him to drill wells or run water pipeline and a tap system, that invitation comes. **Fresh water gives Pastor Gabby the opportunity to preach the gospel and share about the water of life.**

2 Derrin, *Team Member*: *all in* By Going

Derrin owns a welding and fabrication business near our headquarters. **He once thought mission trips were not for a guy like him.** Since then, he has served in West Africa, Uganda and Papua New Guinea.

His word to anyone on the fence: ***"Don't limit God. Let Him show you what He has available for you. But at the end of the day, you got to take the step... Take the next step. Take the next step after that."***

3 Ella, *Intern & Team Member*: *all in* Practically

Ella, an interior design major at Liberty University, joined an FIA team in Uganda not knowing what she would do. She ended up painting a mural for a women's and babies' clinic. The job is to show up and listen to where God has you.

As Ella puts it, ***"God doesn't call the equipped, He equips the called... If God is calling you there, He will equip you with something."***
